

AGP TAPE

1 - Identification of the substance

Commercial product name :
AGP TAPE

Company :
 A.G.P. s.a.s.
 20, avenue Reille
 75014 PARIS
 Tel. 01 45 89 84 44
 Fax. 01 45 89 66 54
 E-Mail : contact@agp-abrasifs.com

2 - Composition/Information on Ingredients

Heat sensitive film (Low Density Polyethylene film) coated with a blue acrylic adhesive on a siliconized paper line.

3 - Hazards Identification

No hazards in normal use.

4 - First-Aid Measures

• Eye contact :N/A.	• Inhalation :N/A.
• Skin contact :N/A.	• Ingestion :N/A.

5 - Fire Fighting measures

• Extinguishing media : water, CO ₂ , dry powder.	Combustible material: slightly irritating chemicals may be given out during combustion.
• Hazardous products of decomposition :	

6 - Accidental release measures

• Spreading on the ground : N/A.	• Spillage into water:N/A.
-----------------------------------------------	-----------------------------------------

7 - Handling and Storage

• Storage temperature (°C) : Ambient.	• Loading/Unloading temperature (°C) :
• Transport temperature (°C) : Ambient.	Ambient.

- **Pressure in storage/transport (kPa) :** atmospheric.
- **Electrostatic risks :** Use appropriate earthing when processing.
- **Usual packaging methods :** Rolls.
- **General notes on storage / handling :** Do not handle or store near naked flame or sources of heat or ignition.

8 - Exposure Controls / Personal Protection

- **Exposure limits :** N/A.
- **Personal protection :** N/A.

9 - Physical and Chemical Properties

- **Physical state :** Solid.
- **Colour :** White/blue.
- **Odour :** N/A.
- **Flash point :** N/A.
- **Boiling point (°C) :** N/A.
- **Softening point (°C) :** N/A.
- **Solubility :** Insoluble in water.
- **Viscosity (CST) :** N/A.
- **Freezing/Melting point :** N/A.
- **Molecular weight :** N/A.

10 - Stability and Reactivity

- **Stability :** Stable.
- **Hazardous decomposition products :** Not known.
- **Polymerisation risks :** No.

11 - Toxicological Information

Acutre risks :

- **Eye contact :** N/A.
- **Skin contact :** N/A.
- **Inhalation :** N/A.
- **Ingestion :** Minimal toxicity.

12 - Ecological Information

No data is available on the product itself.

13 -Disposal Considerations

This product can be recycled either in an authorised disposal unit or by controlled incineration.

14 - Transport Information

Not available.

15 - Regulatory Information

This product does not require classification or labeling under European Directives substance.

16 - Other Information

This safety data sheet has been drawn up in accordance with European Standard 91/155 EEC.

The information and recommendations contained in this Material Safety Data Sheet have been compiled from sources believed to be reliable and to represent the most reasonable current opinion on the subject when the MSDS was prepared. No warranty, guaranty or representation is made as to the correctness or sufficiency of the information. The user of this product must decide what safety measures are necessary to safely use this product, either alone or in combination with other products, and determine its environmental regulatory compliance obligations.
